ACCUEIL D'UN DOCTORANT DE MCGILL

Accueil au sein de l'équipe RI (Programme MITACS, McGill/LISV) entre mars et juin 2022.

31/03/2022

Salman Nourbakhshis a Ph.D candidate in rehabilitation science at McGill university in Montreal, Canada.
His background is in mechanical engineering. He graduated from École de téchnologie supérieure (ÉTS, Montreal, Canada) with a MSc in automated manufacturing engineering in 2016. His passion in health along with his background in Engineering, motivated him to do his Ph.D in an interdisciplinary program, application of robotics in rehabilitation science. Salman wishes to be able to contribute to enhance human quality of life.
